SAFPF offenders are under unique guidelines related to early release and/or parole, and should check with unit administrators for assistance in understanding which, if any, apply to their individual situation.

#### E. Time Credit Dispute Resolution Process

The TDCJ has established a dispute resolution process for offenders who allege their time credits are in error. Complaints regarding time credits cannot be resolved through the Offender Grievance Process.

##### Institutional Offenders

Offenders must contact the Classification and Records Office (CRO) by submitting an Offender Time Credit Dispute Resolution Form (CL-147) to the CRO.

##### State Jail Offenders

Offenders must submit the CL-147 form to the Unit Intake Coordinator for resolution.

Upon receipt of correspondence, the CRO or Intake Coordinator will investigate the allegations. If a correction to time is made, the offender will be provided a new time slip or a commitment data form after the correction. If the CRO finds no error in the time-served credits, the offender will be provided a written statement from the Custodian of Offender Records, certifying the credits to be correct based upon documents received by TDCJ.

Offenders may not file a time-credit error in an application of a Writ of Habeas Corpus until:

1. A final certification decision from the CRO has been received by the offender; or,
2. More than 180 days has passed since offender filed the complaint with the Custodian of Offender Records, and no response has been received.
3. ~~Offenders who are within 180 days of their presumptive parole date, date of release to mandatory supervision, or date of discharge may use either this internal time credit dispute resolution procedure, or submit their application directly to the court, if the Writ of Habeas Corpus is not otherwise barred.~~

#### F. Individualized Treatment Plan

The Individualized Treatment Plan (ITP) is a plan of treatment for an individual offender. The plan outlines programmatic activities and services for an offender and prioritizes his participation in recommended programs based on the offender's needs, program availability and applicable parole or discharge date. An offender's needs for programs are ranked and prioritized to assess the immediacy for placement. Treatment department professionals develop the ITP, interview the offender, assess all available information and record their judgments concerning specific programming needs. Treatment department professionals will be responsible for tracking and reviewing all offenders newly assigned to TDCJ for ITP reviews within two weeks of the offender's arrival on the unit. Any conflicts or problems that may arise from ITP recommendations concerning program or job scheduling will be referred to the UCC for resolution.

RE: John Kevin Kothmann, TDCJ-ID #1590449, Cause Number: EHA5328; DOB: 03-27-1961

Dear Mr. Watkins:

John Kevin Kothmann, an offender within the Texas Department of Criminal Justice – Correctional Institutions Division, has requested our office contact you concerning the possibility of revoking his probation pursuant to the Texas Code of Criminal Procedure art. 42.12 § 21(b). This article allows the offender's community supervision to be revoked without having to return the offender to the county to do so. Please be advised that this program can only be utilized for straight probations, since if an inmate is on deferred adjudication, his guilt must be adjudicated before his probation can be revoked. As such, he must be bench warranted back to the county which has jurisdiction over the matter.

Mr. Kothmann is currently serving sentence(s) for the following offense(s):

	<u>Cause No.</u>	<u>Offense</u>	<u>County/Court No.</u>	<u>Sentence Length</u>
1.	CR08-0869	Retaliation	Parker/415 <sup>th</sup> District	3 years

His holding case is a 3-year sentence. As of today's date, his maximum discharge date is 09-26-2011. His mandatory release date is 02-13-2010.

If you are interested in having the inmate's probation revoked in the above-referenced case, please acknowledge by sending to this office a motion to revoke probation and a plea offer which should include the following: (1) recommended sentence, (2) whether sentence is to run concurrent with or consecutive to his current sentence(s), (3) court costs, fine, and/or restitution, and (4) all time credit to be given to the offender for confinement prior to the sentence date.

Please do not hesitate to contact this office in the event you have any questions concerning this matter.

Sincerely,
